6. A notice should show up at the bottom of your screen saying that the class has been added to your cart. Repeat steps 4 & 5 for the rest of your classes.
7. Once all of your classes have been added to your “Shopping Cart,” click “My Courses” at the top of your screen and select all of them by checking the boxes next to them.
8. With all desired courses checked, click on “Schedule” at the top of the table to view your schedule and ensure you don’t have any conflicts.
9. Once you have a schedule that works you can return to the “My Courses” tab. Ensure that all of your classes in your cart are still “checked,” and click “Enroll” to begin enrolling.
10. When you click finish, a page will display all courses added successfully, and you will be shown an error screen if there is a problem with your enrollment.
