On my honor as a Wisconsin MBA citizen  
I will act with integrity and honesty in all matters;  
I will work to create justice, equality and prosperity as a global citizen;  
I will take responsibility for all of my actions;  
I will honor the differences amongst people;  
I will fight against corruption where I find it;  
I will avail myself to individuals seeking guidance  
And I will be true to myself and my ethics.  
These principles will guide my actions as I enter the world of business.  
This I pledge of my own accord, as a Wisconsin School of Business MBA
